Offer ends 31st August 2009***

Welcome to Spetisbury Primary School's Summer Fair 2009!

It's lovely to see you here today, supporting Spetisbury Primary School. We hope that you enjoy the day's events while contributing generously to our childrens' school! We have a real variety of stalls with face painting, lucky jars, shoot the goalie, bouncy castle and the children's Tombola. There is even a mini "car boot" run by some of the children. Approach the infamous 'Water Dunker' with care - your children will insist you take a soaking! After getting wet, you may well be in need of refreshment - choose from the luscious BBQ, popular PIMMS and beer tents, Dorset Cream Teas or the cake stall.

There are plenty of chances to walk away with something special in the Silent Auction, Tombola, Raffle or the Lucky Programme Draw, with lots of exciting donated prizes. TWO local landlords have donated DINNER - The Charlton Inn and True Lovers Knot have provided these fantastic prizes. Each copy of this Programme has a lucky number on the front, so the more programmes you buy - the more chance you have of winning!

Our public spirited local businesses have generously supported the school by advertising with us, providing special offers and raffle prizes. They clearly deserve our support in return! You don't need to travel far for every conceivable product and service, and many of these business are run by parents of children at Spetisbury Primary. Whether you are looking for dry cleaning, local clubs and activities, a new kitchen, developing a brand and website, a beer or a full-blown night out, our local businesses are hard to beat! This year's programme is sponsored by Active Navigation, market leaders in information cleansing and migration!

Lastly, huge thanks go to FOSS for organising such a great event again. They always go that extra mile for the Summer Fair and this year is no exception. Thank you also to the parents and children for their donations to the fair, the Hannam family for use of their field and of course THANK YOU for coming! Good luck in the Raffle and Lucky Programme Draw and have a great day!

Jane Minett, Head Teacher

ISIS

refreshingly local

Isis is a water company based in Dorset with over 2000 bottle and plumbed in watercoolers in current service.

We provide a fast, professional service, supplying clients ranging from large multi-nationals and Councils to small offices.

mains fed coolers

Enjoy hot or cold filtered water at your leisure with one of our plumbed in point of use coolers.

High consumption users could make large savings by switching to a mains-fed cooler. Bottled water costs on average 30p per litre, compared with just a few pence when using a mains fed system.

Choose from a discreet under the counter system, traditional floorstanding or desktop watercooler system.

bottled coolers

If filtered tap water is not for you then enjoy the quality of pure Isis bottled water. Our water is filtered through the deep chalk hills of Hardy country at Charlton Barrow and extracted and bottled at source.

The Isis bottled water is internationally recognised for its purity and refreshing taste. Choose from our range of stylish hot and cold, or simply cold dispensers, including floor standing or counter top.

- Weekly deliveries in your area
- Comprehensive supply of in-cup drinks
- Call us now to get you and your staff hydrated!

COBHAM

70 Years of Building Trust

1,000 systems delivered

Cobham celebrates the delivery of its 1,000th refuelling system. Cobham technology has been developed over 70 years and used in every major conflict since the Second World War. The probe and drogue refuelling system is the equipment of choice for NATO forces worldwide and is offered on the KC-30 for the USAF Tanker.

Low risk and proven in service, the Cobham solution offers reduced life cycle cost with commonality of supply across USAF, AFSOC, US Navy, US Marine Corp and National Guard. The most important thing we build is trust.

Café 65

'something for everyone'

The well-known special-occasion Turkish restaurant, the Ottoman, in East Street, Blandford, has closed and in its place Café 65 has opened to offer, among much else, an extensive range of teas and coffees, and such comforting staples as ice cream floats and omelette and chips.

On the huge menu that takes hungry customers through breakfast, pastries, light snacks, lunch and tea, there is plenty to tempt young palates, too. And for thrill-seekers able to cope with the sugar rush, there is a range of pancakes that includes the sensible-sounding 'Mary Poppins'. No umbrellas, but a filling that features a simple spoonful of sugar – plus the small matter of whipped cream, ice cream, bananas, chocolate, butterscotch sauce and chocolate strands. Yours for £2.95.

Behind the transformation from long-established restaurant to smart café is owner and manager Kasim Cakir, who still runs the next-door takeaway kebab house. He says he is willing to respond to the wishes of customers at Café 65, and so he's already bowing to demand by planning to reinstate the Ottoman restaurant menu on Friday and Saturday evenings. Since Kasim has retained the restaurant chef, Veli Demirci, to work for the café, this should work quite seamlessly. In fact, at least one of the former Ottoman favourites – lamb shank – is available on the lunch menu.

Some of the ideas for the new café have come from Rachael Karadayi, who has worked for Kasim since she first moved to Blandford from Surrey as a teenager. Now married to Osman, who she met when she was waitressing, and with a young daughter, she has been helping to bring about the change from restaurant to café, excited by what she is sure it can bring to the town and the many families with children who like to go out together to eat.

SCAMPS

SPETISBURY & CHARLTON MARSHALL PRE-SCHOOL

“Scamps” is your local pre-school, run by experienced and qualified staff. We provide a stimulating, friendly and caring environment for the early learning and social skill development of your child, from the age of 2 years 9 months.

We are located in Spetisbury Primary School, where we have the use of beautiful grounds and enjoy very close links with the school. This ensures easy transition into the first year of full time education.

During term time, sessions run Monday through Thursday from 9am to 3.30pm, and 9am to 12 noon on Fridays. The cost is £7.50 per am session, £6.25 per pm session and £3 per lunch session. (Remember your first visit is free).

For further information or to arrange a visit, please contact Jo Clarke on 01258 452107.

SCAMPIES TODDLER GROUP

Please come and join our Toddler Group for children 0 – 3 years and enjoy the wonderful equipment we have to offer. The session is on Friday mornings, 10am to 11.30am during term time and takes place in the Hall of Spetisbury Primary School.

Your FIRST VISIT IS ABSOLUTELY FREE. Thereafter there will be a charge of £1.50 per child.

**Contact SCAMPS and SCAMPIES at Spetisbury Primary School
on 01258 452107**

F.O.S.S.

F.O.S.S (The Friends of Spetisbury School) try to arrange exciting fundraising activities throughout the school year for the children and also for parents.

This year, our main focus is to further extend and enhance the outdoor facilities for the children. Suggestions include an awning and new play equipment which will provide shelter and allow the children to play outside all year round.

As a voluntary group, we are reliant on your involvement! We meet about once every 2 months to discuss ways to support the school and to come up with fresh ideas for fundraising. The atmosphere is very sociable and we often share a few bottles of wine.

Our next meeting this year will be the A.G.M. on 28th September. This is when we vote in the new Committee and set plans in motion for the coming year. Please come and join us at the AGM to share your ideas and meet everyone involved.

Also look out for our COFFEE morning on 16th September, to meet some new faces as we welcome new families to the school.

To order from Phoenix Trading's comprehensive range of exclusive greeting cards, invitation and thank you packs, gift wrap, tags and Charity Christmas cards, please call me:
